Letter Requesting Quotation for Coded Hollow Cathode Lamps

Quotation is sought for purchase of Coded Hollow Cathode Lamps for below mentioned model of Atomic Absorption Spectrophotometer (AAS) for the following Elements. The quotation has to be submitted in sealed envelopes containing the technical specifications and make and price. Please apply the discounts admissible to the educational institutes such as IIT Kanpur and also note that IIT Kanpur is exempted from paying duties for imported items.

Instrument Model:

Flame AAS: Spectra AA-220 FS (Varian)

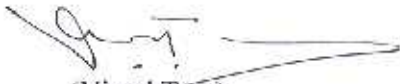

GTA-AAS: Spectra-20 with GTA 96 (Varian)

Requirement: Coded Hollow Cathode Lamps (One Piece for each Element)

List of Elements

- | | |
|---------------|----------------|
| 1. Aluminium | 14. Manganese |
| 2. Arsenic | 15. Sodium |
| 3. Boron | 16. Nickel |
| 4. Barium | 17. Phosphorus |
| 5. Calcium | 18. Lead |
| 6. Cadmium | 19. Platinum |
| 7. Cobalt | 20. Silicon |
| 8. Chromium | 21. Selenium |
| 9. Copper | 22. Tin |
| 10. Iron | 23. Strontium |
| 11. Mercury | 24. Tungsten |
| 12. Potassium | 25. Zinc |
| 13. Magnesium | 26. Zirconium |

Kindly note, we may order only lamps for the selected elements. The quotation should reach the address mentioned in this letterhead no later than **September 11, 2013**.
