

INDIAN INSTITUTE OF TECHNOLOGY KANPUR
Department of Earth Sciences

***REVISED**

Enquiry No: ES/PROJECT/SM/2017-18/01

Date: 19.09.17

Subject: Quotation for supply of Hand Core Drill Machine as mentioned below.

With reference to the subject mentioned above, you are invited to submit the quotation in a sealed cover in order to reach us by **September 25th, 2017** in the form of a hard copy to the address mentioned below. If you have any question please call Dr. Santanu Misra at 0512-2596812, email: smisra@iitk.ac.in.

The prospective suppliers are required to send quotation in two parts in sealed envelopes, as "Technical Bid" and "Financial Bid". The Technical Bid should contain detailed technical specification of the product being offered and should not mention any prices. The Financial Bid should include the detailed price quotation clearly including the cost of the equipment, taxes, service charges if any, shipping and handling charges. **The two separate and sealed envelopes should be clearly marked appropriately as "Technical Bid" and "Financial Bid".**

NOTE: - Kindly write the inquiry no. on the top of envelop.

Quotation are invited for petroleum-derived liquid powered Hand Drill for Geological Core sampling, Drill should be lightweight, reliable and easy to operate with below mentioned specifications.

1. Powerful motor and light in weight and should features Omni-directional fuel pick-up for running at any angle.
2. It should suitable for fast drilling with diamond bits up to 4" (Inch) outer diameter. Drill bit connection to the drill drive shaft is 1 1/4"-7 threads.
3. A manually pressurized water pump should be available. It should include a hose and extension fitted with quick-release connectors.
4. Long-handle to hold the drill steady while cutting samples.
5. Bits should have diamond crowns & the internal diameters of bits should available in 1/4" increments. Bits should have a cutting depth of 14".

Terms and Conditions:-

1. Maximum education discount, if any should be offered
2. Validity of quotation should be at least for 60 days
3. Prices should be on CIF and FOB separately (if imported)
4. Prices should include the installation and training cost.
5. Normal payment terms for the Institute will be applicable (90% on delivery of the items and the remaining 10% after satisfactory installation/ inspection).
6. Quotation should carry proper certifications like agency certificate, proprietary certificate, etc.
