

**Department of Materials Science & Engineering  
Indian Institute of Technology, Kanpur**

**Call for Quotation: Laptop Computer with MAC OS  
Reference Number: MSE/KK2017/LAPTOP**

We are interested to purchase a laptop computer with MAC operating system with the detailed specifications as listed in Appendix A. The prospective suppliers should note and mandatorily follow the following points while sending the quotations.

1. The quotation along with the detailed technical specifications should include the detailed price quotation clearly stating the cost of the equipment, taxes, service charges if any, shipping and handling charges up to IIT Kanpur, U.P. 208016, India and any other associated costs if applicable.
2. The offered product should comply with or be better in each of the specifications mentioned in Appendix A. The prospective supplier should print out Appendix A and clearly indicate in the “Supplier’s Comments” column against each specification, whether the corresponding specification is complied with or not along with brief specification of the offered model. The completely and properly filled Appendix A should be signed and stamped by the supplier and should be included in the bid. Bids with incomplete information will be disqualified.
3. The supplier should be the original manufacturer or **Authorized Agent** of the original manufacturer. The appropriate certificate should be included in this regard in the technical specifications.

Please send the quotations in sealed envelopes latest by 5pm on 14<sup>th</sup> August 2017 to:
